# COSMY STAR ULTRA CLEAN STYLE

Cosmy Star opens the path to a whole new world, where efficiency meets style and elegance, where size gives way to precision and intelligence.

## Responsive and intuitive

Cosmy Star is intuitive and easy to use. At the touch of a button it gets to work. Ergonomic and clever, just as you like it.

## Beautifully made and elegant

Although Cosmy Star is very small, its ultra-modern design allows it to clean faster and more efficiently while consuming less energy. Cosmy Star: super cute, but high performance!

## Practical and cleverly designed

Cosmy Star is simple, clean and pleasant to use. An indicator light warns you when the filter is full and needs to be emptied. At the touch of a button, the filter is freed and can be pulled out from above and cleaned, all without getting your hands dirty. Well done Cosmy!

## Double filtration

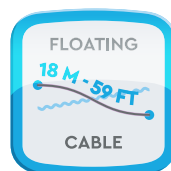

Cosmy Star features two filters, one fitted into the other. This dual filtration system traps even the tiniest particles and leaves the water crystal clear. Cosmy, twice as efficient!

## Feather weight!

Cosmy Star is half the weight of most conventional robotic cleaners. Its rapid drain system makes it wonderfully easy to remove from the pool; good news for your back!

## Surefooted on every type of surface

With its on-board technology, Cosmy Star clings to even the steepest slopes, whatever the waterproofing finish. Cosmy Star navigates with ease and adapts to every configuration. Its optimized cleaning path ensures full coverage, irrespective of the shape of the pool.

# A WHOLE LOT OF TECHNOLOGY PACKED INTO LESS THAN 6 KG.

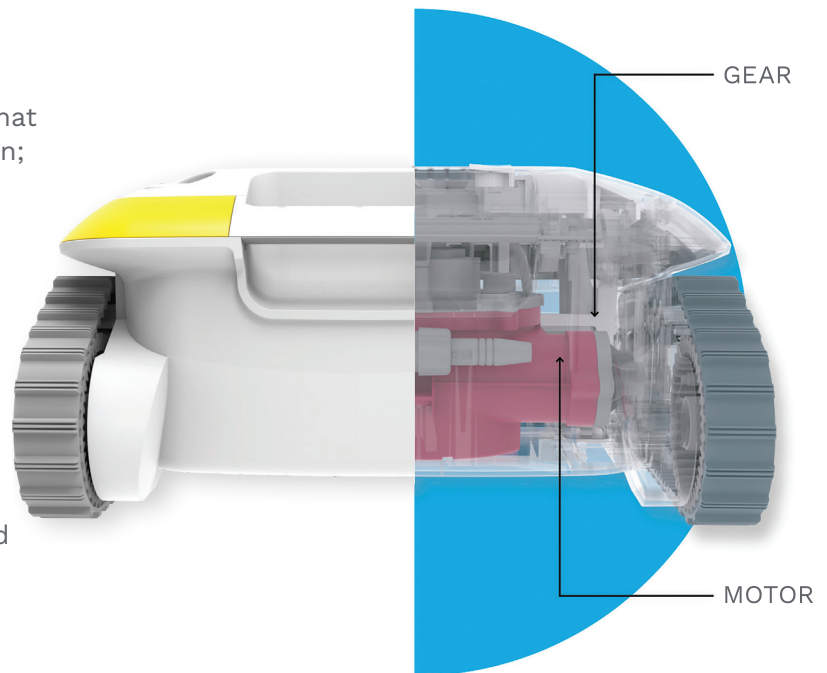

## PLANETARY GEAR TECHNOLOGY

Cosmy Star is equipped with two stage planetary gear technology, a drive system that offers greater efficiency and better precision; combined with two drive motors and a powerful pump, Cosmy is one of the most reliable robotic cleaners on the market.

This system is the ideal solution for fast, optimized travel, unmatched cleaning and unrivalled reliability.

## ENERGY EFFICIENT

With their rapid and logical travel mode and powerful suction, Cosmy Star cleaners works fast. Cleaning cycles are short, consume less energy, and yield a flawless result.

## SPECIFICATIONS

Weight	5.7kg
Power supply	< 29 Volt + App
Power consumption	< 150 Watt

## EQUIPMENT

Filter type	<b>Dual</b> layer filtration
Filter access	Top access Full filter indicator
Brush type	PVC brushes
Cable Length	18m

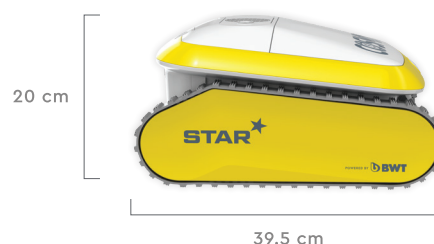

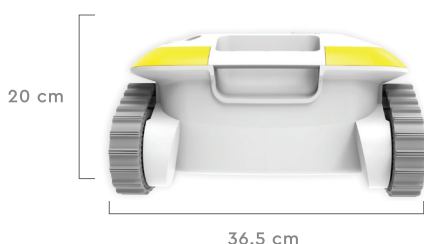

## CLEANING

Pool size	Up to 12m
Pool shape	All shapes & finishes
Cleaning type	Floor, walls & water line
Cleaning cycle durat	1.5, 2 or 2.5 hours
Smart phone APP	<b>Yes</b>
Navigation technology	Smart navigation Gyroscope Beach entry detection

## WARRANTY

**2 years**  
**+ 1 add. year\***

\*Limited Warranty

# COSMY STAR, THE MOST BEAUTIFUL REVOLUTION!

Reliability, high performance, design, style, color, lightweight, practical and connected... Cosmy Star has it all, and at the right price! What a beautiful revolution!

**SO, GO CRAZY FOR COSMY STAR, THE ROBOTIC CLEANER THAT WILL CHANGE YOUR LIFE!**

## Connected

Cosmy Star contains a Bluetooth module. Using the BWT Robotics app, available for download from the AppStore or PlayStore, control of your robotic cleaner is at your fingertips.

You can easily direct Cosmy Star to clean up debris blown by the wind into the pool. Ideal for spot cleaning. Your pool is clean in moments. Thank-you Cosmy!

## Powered by BWT

Cosmy Star is made by BWT Robotics, a company that belongs to the international BWT group, the recognized reference in the world of pools and safe, crystal clear water.

*BWT, years of experience in the service of water and crystal clear swimming pools.*
